# WHAT TO EXPECT WHILE YOU'RE WAITING TO CLOSE

1. The **Order Confirmation Email** you will receive a confirmation once we receive and set up your order. This will include your dedicated Escrow Team's contact information and an invitation to log on to our secure portal called Connect, by Qualia. Please check your junk mail at this time, as sometimes these invitations end up there.
2. A few **Information Requests** via Connect the next day, in which we ask you to supply us some very important information that will enable us to get moving on your closing.
3. An **Introductory Phone Call** from your Escrow Assistant outlining the closing process and requesting any information we still need.
4. A **Silent Interlude**. As we work behind the scenes, you may not hear much from your escrow team, but rest assured we are working on all the many small details that need to come together to get your transaction closed. You can always check the file status via the Connect portal, as well as message us there or call us anytime.
5. A **Flurry of Activity!** Right before signing/closing is when things move very quickly. Don't let the last-minute details or requests frustrate you; there are many pieces and parts that can only happen just before closing. We are working in conjunction with many different entities (lender, surveyor, municipality, county, state, etc.) to get things finished up and this is a normal part of the process.
6. **Document Signings** for each party, whether at our office or a place of your choosing. At this time, we submit documents for transfer and recording, as well as receive and disburse the purchase funds.
7. A **Confirmation of Closing** from us informing everyone that the transaction is closed. Congratulations!
